

## AMA Coalition for Justice and Police Reform

### What Do We Want?

We want a federal investigation by the Justice Department to include: Criminal and civil-rights violations, as well as a federal audit of patterns and practices of the Portland Police Bureau.

- 1) We want the City Commissioners to strengthen the Independent Review Division and the Citizen Review Committee with the goal of adding the power to compel testimony.
- 2) We want Chief Rosie Sizer and the City Commissioners to fully review the Bureau's excessive force and deadly force policies and training with diverse citizen participation for the purpose of making recommendations to change the policies and training.
- 3) We want the Oregon State Legislators to narrow the language of the State statute for deadly force used by police officers.
- 4) We want the District Attorney to establish a special prosecutor for Police excessive force and deadly force cases.
